*P.O. Box 174*

*Morrilton, AR 72110*

*October 2, 2020*

*Dear Members of Sacred Heart Church,*

*Thank you for your past support to the Adelaide Angel Tree. Whether your help was in the form of a donation, or as a group or individual selecting angels from the tree, your generosity helped make our project a success.*

*Because of the restrictions placed on our lives due to COVID-19, the Angel Tree will look a bit different this year. There will be no tree from which to select angels and fill bags, but our club's mission and pledge to the children of our community will be fulfilled. The needs of some children may be greater this year than ever before. We will be working closely with the Department of Human Services to decide where best to use our resources.*

*On behalf of the Adelaide Club, I am asking for your help again. Together we can face this challenge and give those children, who are the most vulnerable and in need, something to look forward to this Christmas.*

*Thank you for considering a donation to the 2020 Angel Tree. Please send donations to this address:*
