- The Full Cost of Tuition is the actual cost of education.
- Sacred Heart tuition schedule (with lower rates for Catholic students) is based on the assumption that parents attending Catholic churches contribute to weekly church collections which in turn help subsidize the cost of education at SH. We appreciate your consideration as you make your weekly Church offerings.
- Donations and fundraisers allow us to offer lower rates for other families as well. Volunteer and donor support is appreciated to make this possible.
- Special Learning Services Program is available to students who qualify for additional specialized services, where possible.
- Additional tuition assistance is available for low and middle income households, as well as for the special services learning program.

Anticipated costs at Sacred Heart:

- Pre-registration fee (\$30-\$50 per student) - due at the time of pre-registration (typically Spring)
- Fees (to cover the cost of books, materials, etc) - due at registration in August - \$330/student
- Tuition - Tuition is due the first of each month, beginning in August at Registration. Payments may be made monthly for 10 months.

Sacred Heart Catholic School is funded through three sources: tuition, tuition assistance organizations (such as ACE, Growing Catholic Education, and Succeed), donations, and parish subsidy. Your contributions to parish collections and school fundraisers allow us to make these discounted rates possible.
