Expenses

The most important asset in a school are the people who carry out its mission - our faculty and staff. As our participation in the EFA program has grown, we have continued to put the increased revenue toward supporting our teachers and staff. The \$302,725 balance remaining was combined with fundraising dollars and put toward improvement projects.

Salary & Benefits	All Other Expenses	Total Expenses

Fundraising

Fundraisers and donations impact the school in several ways. The first column reflects money raised from events such as the Bazaar, Oktoberfest, and Trivia Night, as well as Day of Giving and Project Promise. The funds raised for the Endowment have been invested and a distribution comes back to the school each year. Restricted projects include the batting cages, kitchen work, grants, and advance gifts for a capital campaign. Details within.

KNIGHTS IN SERVICE

Serving With our Veterans

- Our Key Club students showed up in the early morning and late afternoon hours to help the local VFW erect the Walk of Flags at the local hospital five times in 25-26. All Key Club members are expected to participate in this service activity.

Serving Families

- Thanks to the generous support of our school and parish families, our "Feed the Hungry" campaign assembled 500 "meals in a bag." Sacred Heart School and PRE (Parish Religious Education) students worked to assemble the meals, which came with a recipe card and all ingredients needed and cost around \$10/each to feed a family of 4-6 people. Just over 150 bags were delivered to the Care Center and the rest were taken to Morrilton Primary, Elementary, and Intermediate schools, Wonderview and Nemo Vista schools, and to Kids First.
- For the second year, the Key Club stepped up and helped a local county clear their Angel Tree list, bringing gifts and smiles to children in need.
- The Senior Beta Club collected toys for the Abundant Life Pregnancy Resource Center and nonperishable items for the Little Free Pantry.

Serving the Most Vulnerable

- Our Key Club hosted the Annual Fishing Derby for Actions Services for adults living with disabilities at Petit Jean State Park. This is an event our students look forward to all year. The day was filled with lots of laughter and many smiles.
- The Key Club also hosted the annual Spring Festival for Action Services, playing games and other activities with clients.

Serving Local Parishes and Community Groups

- The 11th and 12th grade Beta members helped the ladies of St. Elizabeth set up for their fall and spring rummage sales.
- Our Key Club helped bring the Kiwanis Pancakes with Princesses to life, as students dressed in costume to visit with children in attendance.

ALUMNAE OF THE YEAR

"Everyone knows and loves Angie. They love her because she takes the time to make a connection with anyone who talks to her. Everything she does, she gives 1000%. She is an amazing role model and is someone to truly try to emulate professionally, spiritually, and personally."

The 2025-2026 Alumna of the Year was Angie Fougerousse Hartman. Angie is a 1986 graduate of Sacred Heart School. After high school, she graduated from Arkansas Tech at the top of her engineering class and had a 20-year career at Arkansas Nuclear One, where she held electrical engineering and management positions. She and her husband Chris, SH class of 1987, continued their families' generational commitment to Catholic education and sent their four children to Sacred Heart. During those years, and even since their last child graduated in 2024, Angie served as School Board president, was a member of the Development Advisory Board leading strategic planning efforts, and held a leadership position on the school's first capital campaign committee responsible for \$3M in school and parish improvements. She also ran a stand at the annual bazaar, volunteered as a high school math substitute teacher, and served on

the Parish Council. She is a member of the parish Faith Formation Group and has been instrumental in facilitating retreats and events for the parish community. She currently serves on the school finance committee, runs her own small business, and helps with her 3 grandsons, with the oldest grandson currently enrolled in Pre-K and representing the 6th generation of her family to attend Sacred Heart School.

"What makes her dedication and service stand out is that her attitude towards volunteerism comes with a servant's heart. If you know her, you know well that she has never sought any form of recognition for her work - she simply makes herself available to help out however she can (which she does in a myriad of ways) because she wants the best for this school that means so much to her, her family, and her friends. Anyone who has any affiliation with Sacred Heart understands that the school would not be able to operate without the constant work of volunteers - this is as evident on students' first day at kindergarten as it is on graduation day for seniors. Humility in service is a foundational Catholic teaching - no one exemplifies this more than Lynlee Maus."

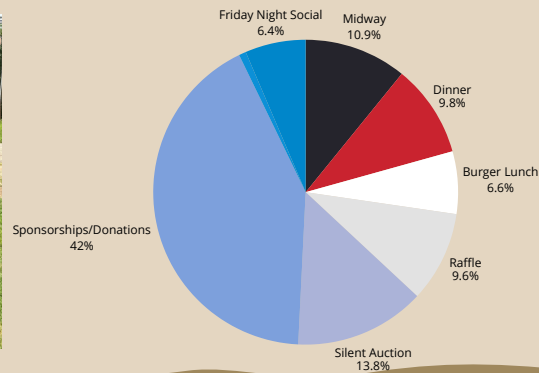

The 2025-2026 Honorary Alumna of the Year was Lynlee Maus. A 1983 graduate of Morrilton High School, Lynlee was a member of Delta Delta Delta sorority at the University of Arkansas and a 1987 graduate of UCA. She taught special education English at Morrilton High School and was a partner in Maus Pecan Farms. Lynlee and her husband John, a member of the SH Class of 1981, have four children who graduated from Sacred Heart.

Lynlee has dedicated untold hours of service to the school since 1997, when her firstborn enrolled in kindergarten, to present day; she has two grandchildren who are now enrolled in Sacred Heart Pre-K.

Over the past 28 years, Lynlee has served on the Development Advisory Board and the Booster Club, and was a co-chair for the school's Capital Campaign, which raised \$3M for school and parish improvements. She was also a CYM sponsor, Bazaar volunteer, a chaperone for countless athletic and Quiz Bowl events and field trips, a volunteer golf coach, and even a substitute teacher for as long as a semester at a time at Sacred Heart. Lynlee has also served on the Parish Council and as the president for the Century League of Morrilton. She is a gracious host and has hosted and coordinated numerous events for the school and community at the Maus Warehouse.

Investment Governance & Endowment Fund Management

The Sacred Heart Catholic School Endowment Fund (SHCSEF) was originally founded in 1986 for the sole purpose of supporting the needs of the Sacred Heart Catholic School in Morrilton, AR, the singular beneficiary of the SHCSEF. The SHCSEF is governed by a Board of Trustees who endeavor to effectively supervise, monitor, and evaluate the management of the Endowment’s investment portfolio. The Board partners with external asset managers and advisors from Stephens, Inc. to implement an Investment Policy Statement that is designed to grow the endowment, providing annual returns that keep pace with inflation while minimizing risk and volatility.

Sacred Heart Board of Trustees members: John Maus, Brandon Zinser, Ed Ruff, Susan Gunderman, Mark Hartman and ex-officio members Principal Jennifer Roscoe, Director of Advancement Alisha Koonce, and Pastor Fr. Stephen Hart

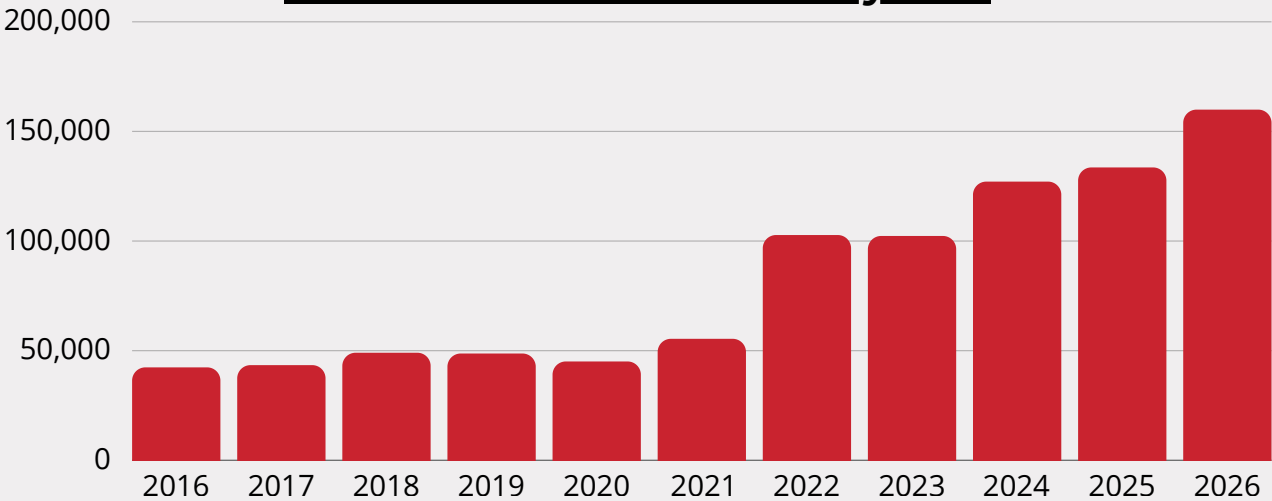

Endowment Distributions

The SHCSEF Distribution policy states that the Endowment Board may elect to distribute funds to the school annually. The Trustees have chosen to distribute 4% of the fund based on a 3-year rolling average of the December 31 account balance.

Since 2002, the school has received \$1,072,556 from the Endowment for operations; this supports the school's operating budget and represents an average of 5% of the total operating revenue for the school each year. In 2025-2026, the school received \$160,539 from the Endowment for:

- \$127,182 for operating costs and
- \$33,358 for other restricted projects

William "Bubba" Voliva Memorial Fund - New in 2025

The William "Bubba" Voliva Memorial Fund was created in 2020 and endowed in 2025 by Madison Harper ('20) and Mandy Perry to commemorate Madison's stepdad, Bubba, who passed away January of 2020. Bubba was an avid fan of his stepdaughter and supported her throughout all her schooling while at Sacred Heart. You could often find him helping out in the concession stand during basketball games, serving spaghetti at dinners, and happily manning the dunk tank at Bazaar, but his favorite place to be was out at the softball fields.

Whether he was playing catcher during pitching lessons, coaching the "lil Rebels" for his girl and her friends, or simply cheering on the Sacred Heart softball team during the spring season, he loved to be out at the fields, cheering loudly, and showing his support.

When available, an annual award will be made from this fund to the softball and baseball teams to help with getting new equipment or other projects that will assist with the training and development of skills. Through this award, we will honor Bubba's memory and his love for Sacred Heart athletics.

The Richard & Cecilia DeSalvo Current Needs Fund Founded in 2025 by their seven daughters

All seven daughters graduated from Sacred Heart, as did one son-in-law, one grandchild, and three great-grandchildren. Richard served on the school board and was one of several men instrumental in keeping the school open when faced with closure in the eighties. For many years, Cecilia volunteered for playground duty, taught a cooking class for mini-courses, and served as chair of the bazaar dinners. They knew what it took to run the school. As a way to honor their parents for their dedication to Sacred Heart School, their daughters and their families have chosen to create this fund to be used for any unforeseen current need that arise each year.

Denis & Dixie Drilling Memorial Fund

Established in April 2026 by the children of Denis ('57) and Dixie Drilling - Mark ('82), Amy ('83) Hoyt, David ('89), and Jon ('94) - this fund is a way to honor their parents' dedication to Sacred Heart School. From the Bazaar to Cajun Fete (which they founded), Denis and Dixie were consistently leading the charge to preserve and strengthen Sacred Heart School. In honor of their devotion and spirit of service to Sacred Heart, their fund will support the current needs of the school.

Thank you
