

Dear Parents,

extra copy

I hope you and your family have a wonderful summer!

This packet was created to give your child some fun practice before starting the new school year. Inside you will find:

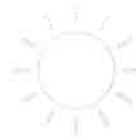

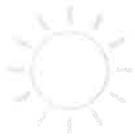

- Math addition practice
- Math subtraction practice
- Place value work
- Language activities on nouns and verbs
- Four short reading comprehension passages with questions
- A summer reading log

Please have your student complete the work over the summer and return the packet when school starts in August.

Have a great summer! I look forward to meeting you all next school year.

Sincerely,
Mrs. Williams
